

SCADDABUSH FAQs

To us, life is just so much better with food. Fresh, made-from-scratch food. It's about taking time to share a meal and a story or two – whether around a boardroom or dining room table. Because when people gather around a food-filled table, bonds strengthen, creativity increases, stress lowers, and memories are created.

As Scaddabush we work hard to create exceptional dishes that inspire you to gather with your friends, family or co-workers. And our dishes can be mixed and matched to ensure that no one leaves hungry.

HOW DO I PLACE A CATERING ORDER?

Placing an order is as easy as visiting [Scaddabush.com](https://www.scaddabush.com).

Select the “Catering” option from our home page and then select your preferred location. You will be driven to our Scaddabush page on Skip the Dishes.

Select “Pick-up” or “Delivery” from the drop down menu at the top. Pick-up orders can also be placed by calling the restaurant directly. Visit [Scaddabush.com](https://www.scaddabush.com) for the phone number of your preferred location.

Specify the details of your order including date and time, items, quantities and payment preference. The Scaddabush and Skip the Dishes teams will work together to ensure your order is ready on time and exactly as you have requested.

HOW DOES DELIVERY WORK?

We partner with Skip the Dishes to provide a seamless delivery experience. Please note that a small delivery charge will be applied at the time of ordering.

We deliver in Toronto, Mississauga, Richmond Hill, Scarborough, Oakville, Vaughan and Etobicoke. To determine if you are inside the delivery radius for Skip the Dishes, please log on to [Scaddabush.com](https://www.scaddabush.com) and select “Catering”. There are no restrictions on pick-up orders.

WHAT IS THE MINIMUM ORDER FOR CATERING DELIVERY?

The minimum spend for delivery is \$150 before taxes. There is no minimum spend for pick-up orders.

HOW FAR IN ADVANCE DO I NEED TO PLACE MY CATERING ORDER?

We request that orders be placed 24 hours in advance whenever possible; however, we understand that sometimes you simply need things sooner. For orders over \$300 required inside of 24 hours, please give us a quick call at the restaurant, so that we can ensure your event is a success.

WHAT IF I NEED TO CANCEL OR CHANGE MY ORDER?

For delivery or pick-up orders placed via our Skip the Dishes page, please email support@skipthedishes.com or live chat with their customer service team via the live chat link found at <https://www.skipthedishes.com/faq>.

Though our restaurant team would love to help, all orders that are placed through Skip the Dishes must be modified through the Skip the Dishes team.

We do ask that you provide as much notice as possible for cancellations to ensure that the Scaddabush kitchen does not begin to prepare your order. Depending on the timing of your cancellation, a service charge may apply.

- Salads = 3-5 side orders
- Pastas = 3-5 side orders

There are so many reasons to cater. Sometimes you simply have an event and don't have the time to handle the menu yourself, nor do you want to ask your guests to contribute. And sometimes, the gesture of lunch for your staff can go a long way to boost morale and fuel creativity. It's also a perfect way to say "thank you"!
